

# Dripping Springs Elementary

Dear Parents,

Here is a way you can save lots of money in 2016! From pizza at Hill Country Pizzeria to athletic shoes at Dick's, you can save lots of money with the enclosed *Save Around Book*. They are only \$20 but you can save hundreds. Here is how you can save:

⇒ **Keep it and send in \$20 (check or money order made out to DSEPTA) by Thurs, Feb. 18th.**

⇒ **OR send book back to school with your child ASAP.**

Either way, your child will get a collectible bear. The more books they sell, the more bears they can collect!

As you save money, the teachers and students at our school will benefit. If you would like to sell additional *Save Around Books* please send an email with your child's name, teacher's name, and how many copies needed to [president@dsepta.org](mailto:president@dsepta.org) and the requested additional copies will be sent home with your child.
